LUKE

Ben? Ben Kenobi! Boy, am I glad to see you!

BEN

The Jundland wastes are not to be traveled lightly. Tell me young Luke, what brings you out this far?

LUKE

Oh, this little droid! I think he's searching for his former master... I've never seen such devotion in a droid before... there seems to be no stopping him. He claims to be the property of an Obi-Wan Kenobi. Is he a relative of yours? Do you know who he's talking about?

Ben ponders this for a moment, scratching his scruffy beard.

BEN

Obi-Wan Kenobi... Obi-Wan? Now that's a name I haven't heard in a long time... a long time.

LUKE

I think my uncle knew him. He said he was dead.

BEN

Oh, he's not dead, not... not yet.

LUKE

You know him!

BEN

Well of course, of course I know him. He's me! I haven't gone by the

name Obi-Wan since oh, before you were born.

LUKE

Then the droid does belong to you.

BEN

Don't seem to remember ever owning a droid. Very interesting...

He suddenly looks up at the overhanging cliffs.

BEN

I think we better get indoors. The Sandpeople are easily startled but they will soon be back and in greater numbers.

Luke sits up and rubs his head. Artoo lets out a pathetic beep causing Luke to remember something. He looks around.

LUKE

Threepio!

EXT. TATOOINE - SAND PIT - ROCK MESA - DAY

Little Artoo stands at the edge of a large sand pit and begins to chatter away in electronic whistles and beeps. Luke and Ben stand over a very dented and tangled Threepio lying half buried in the sand. One of his arms has broken off.

Luke tries to revive the inert robot by shaking him and then flips a hidden switch on his back several times until finally the mechanical man's systems turn on.

THREEPIO

Where am I? I must have taken a bad step...

LUKE

Can you stand? We've got to get out of here before the Sandpeople return.

THREEPIO

I don't think I can make it. You go on, Master Luke. There's no sense in you risking yourself on my account. I'm done for.

Artoo makes a beeping sound.

LUKE

No, you're not. What kind of talk is that?

Luke and Ben help the battered robot to his feet. Little Artoo watches from the top of the pit. Ben glances around suspiciously. Sensing something, he stands up and sniffs the

air.

BEN

Quickly, son... they're on the move.

INT. KENOBI'S DWELLING

The small, spartan hovel is cluttered with desert junk but still manages to radiate an air of time-worn comfort and security. Luke is in one corner repairing Threepio's arm, as old Ben sits thinking.

LUKE

No, my father didn't fight in the wars. He was a navigator on a spice freighter.

BEN

That's what your uncle told you. He didn't hold with your father's ideals. Thought he should have stayed here and not gotten involved.

LUKE

You fought in the Clone Wars?

BEN

Yes, I was once a Jedi Knight the same as your father.

LUKE

I wish I'd known him.

BEN

He was the best star-pilot in the galaxy, and a cunning warrior. I understand you've become quite a good pilot yourself. And he was a good friend. Which reminds me...

Ben gets up and goes to a chest where he rummages around. As Luke finishes repairing Threepio and starts to fit the restraining bolt back on, Threepio looks at him nervously. Luke thinks about the bolt for a moment then puts it on the table. Ben shuffles up and presents Luke with a short handle with several electronic gadgets attached to it.

BEN

I have something here for you. Your father wanted you to have this when you were old enough, but your uncle wouldn't allow it. He feared you might follow old Obi-Wan on some damned-fool idealistic crusade like

your father did.

THREEPIO

Sir, if you'll not be needing me,
I'll close down for awhile.

LUKE

Sure, go ahead.

Ben hands Luke the saber.

LUKE

What is it?

BEN

Your fathers lightsaber. This is the
weapon of a Jedi Knight. Not as clumsy
or as random as a blaster.

Luke pushes a button on the handle. A long beam shoots out
about four feet and flickers there. The light plays across
the ceiling.

BEN

An elegant weapon for a more civilized
time. For over a thousand generations
the Jedi Knights were the guardians
of peace and justice in the Old
Republic. Before the dark times,
before the Empire.

Luke hasn't really been listening.

LUKE

How did my father die?

BEN

A young Jedi named Darth Vader, who
was a pupil of mine until he turned
to evil, helped the Empire hunt down
and destroy the Jedi Knights. He
betrayed and murdered your father.
Now the Jedi are all but extinct.
Vader was seduced by the dark side
of the Force.

LUKE

The Force?

BEN

Well, the Force is what gives a Jedi
his power. It's an energy field
created by all living things. It
surrounds us and penetrates us. It
binds the galaxy together.
